When I Survey

IRISH MELODY

(ALTERNATE KEY)

NOTE: ***Place Capo on 7th fret to transpose to G***

C F C
1. When I survey the wondrous cross
Am G
On which the Prince of glory died,
Em - F Em - F
My richest gain I count but loss
C F G C
And pour contempt on all my pride.

C F C
2. Forbid it Lord, that I should boast
Am G
Save in the death of Christ, my God;
Em - F Em - F
All the vain things that charm me most
C F G C
I sacrifice them to His blood.

C F C
3. See from His head, His hands, His feet,
Am G
Sorrow and love flow mingled down;
Em - F Em - F
Did e'er such love and sorrow meet,
C F G C
Or thorns compose so rich a crown?

C F C
4. Were the whole realm of nature mine,
Am G
That were a present far too small;
Em - F Em - F
Love so amazing, so divine,
C F G C
Demands my soul, my life, my all.
